**Exemption of Renewal of Registration for Exam V**

Candidates who aspire to pursue CFP<sup>CM</sup> Certification program of FPSB India through Regular Pathway, Education Provider as well as Self Study mode, needs to register with FPSB India by paying the registration fees of Rs.10,000/-. The registration entitles a candidate to appear in Examinations 1 - 4 as well as in Examination 5 (final Certification Examination) within a time span of 1 year from the date of activation of enrollment with FPSB India. The candidate requires to renew registration by paying Rs.10,000/- afresh in case the examinations are not cleared in this time span.

As a student friendly measure, FPSB India has revised its guidelines for renewal of registration. Students who complete the first four Examinations within a period of 1 year from the date of registration are now entitled to appear in Examination 5 (final Certification Examination) for a period up to 1 year from the date of expiry of the initial registration period, without paying the renewal fees of Rs.10,000/-.

Please note that the exemption does not hold good for students who have not completed the first four Examinations within the valid registration period of 1 year.

The above Exemption is applicable for all student registrations done since April 01, 2008. For instance, if a candidate who had registered on May 19, 2008, and has already cleared Examination 1 – 4 before May 18, 2009, is eligible to appear in Examination 5 without the renewal of registration for a period up to, May 18, 2010. It may be kept in mind that for every attempt at Examination 5, the candidate is required to pay the Examination fee of Rs. 5,000/- separately.
