November 04, 2011

Withdrawal of the Scheme of Consultants of FPSB India

After due deliberations of parameters of students' registrations in the CFP^{CM} Certification Program, it has been decided that with effect from close of business hours on 31st December, 2011 the incentivization structure of FPSB India's consultants shall be rescinded. The consultants will not source students by citing their association with FPSB India and therefore would be required to submit their business cards and such other stationery which conveys their then erstwhile consultancy.
